Application Overview

Easy Invoice is a Progressive Web Application that renders user input into a pdf invoice that can be downloaded client-side. The application is currently hosted on the cloud platform Heroku.

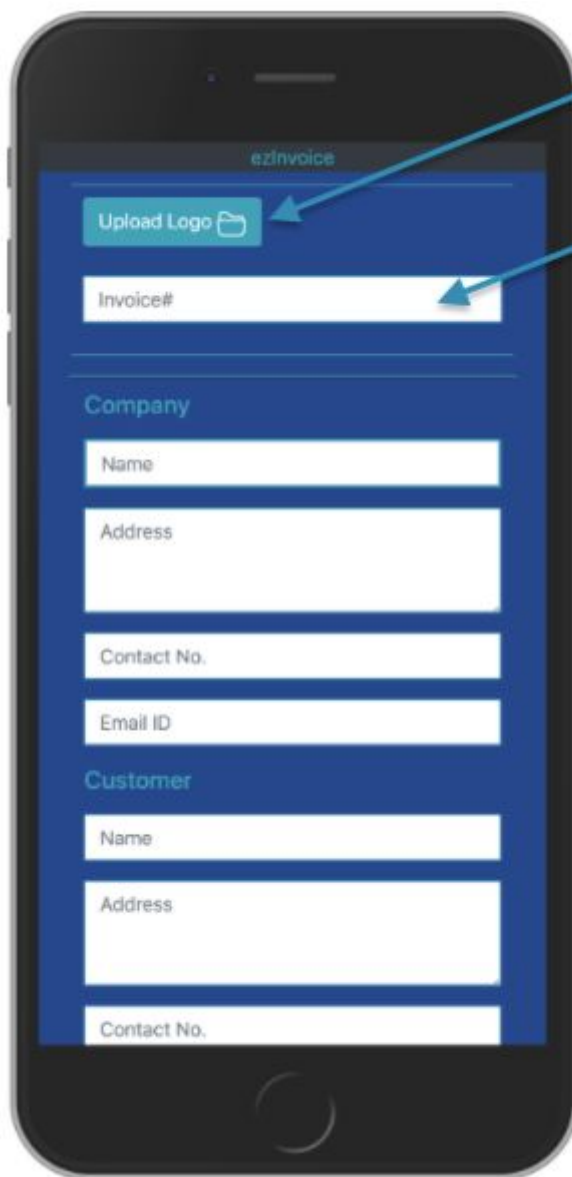

Technology Used

- Node.js - v12.18.3
- Angular - v9.1.7
- PDFMake - v0.1.67
- Bootstrap - v4.5.2
- Heroku - v7.43.0

Features

- Fast and reliable over mobile networks.
- Installable.
- Works offline.
- Protected with HTTPS.
- 100% Lighthouse best practices score.

User Guide

A screenshot of a mobile application interface titled "ezInvoice". The interface is divided into several sections. At the top, there is a blue header bar with the text "ezInvoice". Below the header, there is a green button labeled "Upload Logo" with a folder icon. Below this button is a white input field labeled "Invoice#". Below the "Invoice#" field is a section titled "Company" in blue. This section contains four white input fields: "Name", "Address", "Contact No.", and "Email ID". Below the "Company" section is another section titled "Customer" in blue. This section contains three white input fields: "Name", "Address", and "Contact No.". Two blue arrows point from the text on the right to the "Upload Logo" button and the "Invoice#" input field.

Add your business logo with the Upload Logo button. The image must be in JPEG or PNG format.

Fill in all of the input fields with the appropriate information. All input fields must be filled out before downloading pdf.

User Guide

The image shows a smartphone screen with a blue-themed invoice form. At the top, there are two white input fields labeled 'Contact No.' and 'Email ID'. Below these is a small blue square button with a white plus sign. Underneath is a table with four columns: 'Item', 'Price', 'Quantity', and 'Line Total'. The first row of the table has three white input fields under the first three columns, and the text 'Total:' under the 'Line Total' column. Below the table is a section titled 'Additional Information' with a large white rectangular input area. At the bottom of the screen, there are two buttons: a light blue button with a trash icon and the text 'Reset Form', and a teal button with a download icon and the text 'Download PDF'.

Item	Price	Quantity	Line Total
<input type="text"/>	<input type="text"/>	<input type="text"/>	Total:

Use the add button to create additional rows.

Each line will total as you fill out the input fields.

Use the Reset Form button to clear all input fields.

Once the form is filled out you can download a pdf of your invoice by pressing the Download PDF button.

The Invoice

Your Logo will be placed here.

The invoice date and time are auto generated.
